

## **LOTHIAN TRACK & FIELD ATHLETICS COMPETITION**

**Wednesday 13th May 2015**

### **RESULTS**

Meadowmill Sports Centre played host to the annual Lothian Track & Field Athletics Competition on Wednesday 20th May. This was the second year the venue had kindly welcomed athletes from around the Lothian area after taking over hosting duties from Dalkeith School Campus.

The event took a slightly different approach this year, as senior athletes were invited to participate alongside their junior colleagues for the first time. This allowed over 10 senior athletes from Port Seton Resource Centre the opportunity to participate and post times and distances for the National Championships in September. In total, the entry stood at 96 athletes with some individuals making their debut at the event and some returning to try and improve their personal bests. It was excellent to see new faces from across the region, with Dunbar Grammar School joining Cuiken, Campie and East Calder Primary schools in attending for the first time.

Like last year the weather was kind to competitors, allowing for some fine performances on the track and in the field - notably during the female 800m and the male 400m and long jump, to name a few. The atmosphere created by all competitors made the day thoroughly enjoyable and will hopefully encourage the athletes to access local opportunities in the sport. If you would like more information on athletics opportunities in the region, please get in touch on 0131 475 2364 or [admin@lothiandisabilitysport.co.uk](mailto:admin@lothiandisabilitysport.co.uk).

Special thank you to all the officials at Scottish Athletics and volunteers from Lothian Disability Sport who both gave up time to come and help make the day a success. Also, thanks to all school staff and athlete's who supported this year's competition, we hope to see you next year. Please find the results enclosed.
